India is the second most populous country with over 1.2 billion people. India is an ancient country going back to before 7000 BCE. Modern India starts around 1848 with independence in 1947 from the British Commonwealth. One of the issues India is dealing with is the splitting of one of it's states, Andhra Pradesh into two states, Andhra Pradesh and Telangana. The final decision is still in limbo. What we have done here is to give both maps. Drawing maps takes a lot of time so we prepared the new one a while back, so I give you both and await the final decision. Once I know I will adjust, thank you for your understanding, bruce jones Royalty Free, Printable, Blank, India Map with Administrative Districts and Names and Surrounding Countries Royalty Free, Printable, Blank, India Map, with administrative districts and names.
