Home Guides Global Leveling Guides Home Guides Global Leveling Guides Leveling Guide Fylff Project M has been officially released your first closed beta tests (CBT) and many of you probably playing the initial stage of the game, you probably have difficulty looking for monster in your mission And looking at the map will take some time looking for it, because there is no search function on the map. To help you look for these monsters, we've compiled all the monsters you encounter in all regions in the Flyff m project with your specific drops. Region of Flaris There are currently 15 different monsters that you will find in Flaris, each of these monsters has different variants and levels.
