Such wonderful children. Such a beautiful mother. Such a lovely house. Such endless terror! It wasn't that she didn't love her children. She did. But there was a fortune at stake—a fortune that would assure their later happiness if she could keep the children a secret from her dying father. So she and her mother hid her darlings away in an unused attic. Just for a little while. But the brutal days swelled into agonizing years. Now Cathy, Chris, and the twins wait in their cramped and helpless world, stirred by adult dreams, adult desires, served a meager sustenance by an angry, superstitious grandmother who knows that the Devil works in dark and devious ways. Sometimes he sends children to do his work—children who—one by one—must be destroyed.... 'Way upstairs there are four secrets hidden. Blond, beautiful, innocent struggling to stay alive.... They were such brave children to withstand such suffering. Such clever children to escape such terror! For Carrie, Chris and Cathy, the attic was a dark horror that would not leave their minds, even while they built bright, promising new lives. Of course mother had to pretend they didn't exist. And Grandmother was convinced they had the devil in them. But that wasn't their fault. Was it? Cathy knew what to do. She now had the powers she had learned from her beautiful mother. She knew it in the way her brother still yearned for her, in the way her guardian touched her, in the way all men looked at her. She knew it was time to put what she knew to the test. To show her mother and grandmother that the pain and terror of the attic could not be forgotten... Show them. Show them—once and for all. All she wanted was to be someone's little girl... Fate made her a lonely orphan, yearning for the embrace of a real family and a loving home. But a golden chance at a new life may not be enough to escape the dark secrets of her past... Up in the attic, that's where Alice's mother used to escape to...and it's where, so Alice has been told, she plotted the murder of her own stepfather. Now, years later, with her mother locked away for life, the attic is where Alice finds comfort in her aloneness, writing poetry and painting pictures. When Alice finally finds the courage to come out of her shell, exchanging her dowdy looks for flattering clothes and makeup, her life completely opens up -- she even attends the prom with a cute, popular boy. But it's a night that turns quickly tragic -- sending her newfound happiness crashing down around her, and hurtling Alice into a shattering new life, one that leads her to a shocking reunion with the shadows she had fled. Now Phoebe, Teal, and Robin -- three girls from very different worlds -- are the newcomers in this desert hell. During their stay, each girl will be tempted to commit the ultimate crime of betrayal as Dr. Foreman cleverly tries to turn them against each other -- until they learn that the only way to survive is to stick together...and fight back. So idyllic Greenwood -- the exclusive girls' boarding school that her father has chosen for his daughters' senior year -- seems to promise some peace from the conniving Daphne, and maybe even a fresh start with Gisselle. But Ruby's kind isn't welcome at Greenwood, and the legendarily strict headmistress, Mrs. Ironwood, plots with her stepmother to make her life miserable. Meanwhile, Gisselle is on a mission to break every school rule, leaving Ruby to suffer the humiliating punishments. But Ruby doesn't lose hope -- until a terrible tragedy leaves her alone in a world that never really wanted her. Ruby will have to summon every last ounce of her Cajun strength to reclaim her home, her future, and the happiness she once knew.... --back cover **Book Three of the Girls of Spindrift. From the New York Times bestselling author of the Flowers in the Attic and My Sweet Audrina series (now Lifetime movies) continues a haunting new series featuring highly intelligent teenage girls who struggle to survive a specialized high school and find their place in a world that doesn't understand them. Such is the burden of being brilliant.** Mayfair arrives at Spindrift School, and quickly begins to feel its walls are a prison, its teachers her wardens. Having become best friends with Corliss and Donna, the three of them become the de facto It Girls of Spindrift; the other students call them the Supremes—and not for their singing talents. Jogging the grounds of Spindrift one day, the girls notices a hole in the fence leading to the nearby town that the students are never permitted to visit. Gathering up their nerve for an off-campus excursion, they venture to a local bar, and into the presence of a man Mayfair becomes enchanted by. Thrilling and new, this affair of the heart is the opposite of the rigorous study Spindrift demands of its pupils. And so for this ultra-smart girl, the question becomes: which is smarter, which brings more self-satisfaction, the path of the brain, or the wilds of the heart? The four Girls of Spindrift novellas together form a sequel to Bittersweet Dreams—available now! But no amount of money can keep Rain's world from crashing down when sudden tragedy strikes. Left helpless after a devastating blow, Rain sinks into despair as her precious dreams are washed away - dreams that cannot be bought with the Hudson fortune. Her only hope for rebuilding her life rests in trusting a stranger who has come into her world — a man whose generosity and kindness does not appear to come with strings attached, much to Rain's amazement. But just as she opens her heart to a promising new future, her past comes back to haunt her — and Rain is pulled into a furious whirlpool of bitterness and heartache. For fans of Ruth Ware (The Woman in Cabin 10) and Emma Donoghue (Room). Alike in every single way.... with one dark exception. As identical twins, their mother insists that everything about them be identical: their clothes, their toys, their friends . . . the number of letters in their names, Haylee Blossom Fitzgerald and Kaylee Blossom Fitzgerald. If one gets a hug, the other must too. If one gets punished, the other must be too. Homeschooled at an early age, when the girls attend a real high school they find little ways to highlight the differences between them. But when Haylee runs headfirst into the dating scene, both sisters are thrust into a world their mother never prepared them for—causing one twin to pursue the ultimate independence. The one difference between the two girls may spell the difference between life... and a fate worse than death. Written with the taboo-breaking, gothic atmosphere that V.C. Andrews is loved for, The Mirror Sisters is the latest in her long line of spellbinding novels about mysterious families and tormented love. Ever since Fern could remember, she and her mother have lived as servants in Wyndemere House, the old Gothic mansion of the Davenport family. She may have been a servant, but Fern developed a sweet friendship with Dr. Davenport's son, Ryder, and she was even allowed free range of the estate. But Dr. Davenport has remarried and his new wife has very different ideas about a servant's place. Now Fern and her mother are subject to cruel punishments, harsh conditions, and aren't even allowed to use the front door. Yet, for all her wrath, the cruel woman cannot break the mysterious bond between Ryder and Fern. And when Ryder invites Fern to join his friends at prom, there's nothing Mrs. Davenport can do to stop them nor can she continue to guard the secret that haunts the women of Wyndemere—but there's nothing she won't try. After all, reputation is everything. The only family Ruby Landry has ever known are her loving guardian, Grandmère Catherine, a Cajun spiritual healer, and her drunken, outcast Grandpèrb Jack. Although thinking about her dead mother and mysterious father sometimes makes her feel as mournful as the wind sighing through the Spanish moss, Ruby is grateful for all she has. Her life is filled with hope and promise...especially when her attraction for handsome Paul Tate blossoms into a mysterious, wonderful love. But Paul's wealthy parents forbid him to associate with a poor Landry, and Grandmère urges her to follow her dream of becoming a great painter, foreseeing a time when Ruby will be surrounded with riches in the dazzling city of New Orleans! Yet she cannot know how close that uncertain future looms....In a faded photograph, Ruby glimpses for the first time the image of her father — and learns of a shameful deception and a shocking scheme of blackmail that now must come to light. Stunned by these revelations, she is devastated when Grandmère dies, leaving her to seek out her father in his vast New Orleans mansion. There, in a house of lies, madness, and cruel torment, Ruby clings to her memories of Paul to keep her heart alive. For only their love can save her now.... All that glitters isn't gold.... Wealth. Extravagant parties. Celebrity status. These are things Willow De Beers could only dream of — until now. After discovering deep family secrets in her adoptive father's journal, Willow bids farewell to her North Carolina college town and sets out in search of her birth family amid the ritzy glamour of Palm Beach. Using an assumed name and pretending to conduct a study of one of the nation's wealthiest communities, Willow takes Florida's gem city by storm and quickly encounters Thatcher Eaton, a young lawyer who sweeps her off her feet. But as Willow spirals into a passionate love affair and becomes intoxicated with the lifestyle of the rich and famous, the dark truth about her birth family threatens her fabulous new life, pushing her to the brink of insanity.... Growing up in her beloved swamp, Gabriel is supremely happy, despite the ever-widening rift between her Mama and her conniving, whiskey-drinking Daddy. Her classmates tease her, calling her "La Femme Au Naturel," the Nature Girl, because she seems more interested in poling her pirogue through the canals than she is in romance.
