don moen â€ "I offer my life ... download mp3download this wonderful and special song from don moen that is known for its beautiful songs and texts inspired by the holy spirit titled" offer my life ", [2019] trust I will love you ... gospel music is doing fantastic and if you remove the content - the gospel in it "becomes meaningless. there is so much harm in the top in the general public, but on the other hand sat of gospel musicingministering to people to help them out of trial periods. In any case, in fact the media did not pay attention to the effect and impact the music of the gospel is doing in our general audience and this is the reason why we are deliberately here to give a careful consideration to what the music of the gospel is doing â€ â â â€ â â â€ â â€ â â â â€ â€ â â â â€ â€ â â â â€ â â â â
