Photo courtesy: Netflix/FX/Getty Images Whether a show is a blameless pleasure or a Prestige TV speaker icon, a good sitcom or a high-content drama, television has the capacity not only to represent and reflect society, but also teach us some valuable lessons about acceptance. and opening. That’s why we decided to take a look at the history of television and highlight some of the titles that made television a more representative, progressive and diverse place. I love LucyLucille Ball on “I Love Lucy” in 1952. Photo courtesy: CBS In the 1950s, Lucille’s comedy Ball I Love Lucy, in which her character was married to Ball’s real-life husband Desi Arnaz, broke a huge television taboo. When the actress got pregnant, the couple thought that the show, which had spent a season on CBS, would be cancelled or put on hiatus until after giving birth. Pregnancy was not something that happened on television at that time. And writing around an actress' pregnancy hasn’t always been as easy as getting the Kerry Washington Scandal some fabulous coats. In the end, Ball’s pregnancy was written on the show, an approach that has been used a lot of times on written television since then. Writers would have to avoid the word “pregnant” though, considered too vulgar for the air. The episode announcing Lucy’s pregnancy was aired in 1952. It’s called “Lucy Is Enceinte” because apparently it’s okay to refer to the word “p” in French. The characters used verbal solutions such as “we’re having a baby” or “blessed event” to imply Lucy’s condition. Nichelle Nichols and William Shatner in “Star Trek.” Original date of the episode: November 22, 1968. Photo Courtesy: CBS via Getty Images Star Trek: The Original Series not only got a devoted follow-up that has since released several sequel series, And franchises of films during the decades, it was also a rare example of diversity on screen. Nichelle Nichols played Uhura, Lieutenant of the Starfleet and Communications Officer, Communications, The show one of the first to present a black woman who does not portray a servant. George Takei played Lieutenant Sulu, the Helmsman of U.S. Enterprise Have an American Japanese actor in such a visible role so only two days after the Second World War, a time defined by the antiastial policies and the racism of the United States, also highlighted the commitment of The sample with the representation. Then the kiss is. Uhura and the captain Kirk (William Shatner) kissed in an episode of 1968 while under the influence of alienes. It can be argued if that was the first interracial kiss on screen or not, but demonstrated the dedication of the show to the representation of a plural and diverse society. And confirmed the famous words of Kirk: â € œ Wherever I come, size, shape or color does not make a difference.â € The Mary Tyler Moore Show Mary Tyler Moore in the â € œThe Mary Tyler Moore Showâ € From 1975. Photo courtesy: Getty Images This seven-seasheet comedy that was launched between 1970 and 1977 broke some molds. He looked at Mary Tyler Moore as Mary Richards, a single woman of her 30 years focused on her race at a television station. The spectacle was created by James L. Brooks and Allan Burns, but it has a writers room where there was also a significant number of women, especially for the period. Treva Silverman was one of the first women hired as a writer for the spectacle, and, in particular, she shared her own experiences to inform the life of the characters. Apart from in the Writers Room, the show was innovative because it focused on the life of an independent professional woman who did not care about getting married. And although some topics were not treated in the same way directly that we have grown accustomed in the last decades, the spectacle made suggestions about María having an active sexual life and taking the pill. He also opened the way for others Race-centric Murphy Brown, Ally McBeal, 30 Rock and even Sex and the City. EllenEllen DeGeneres and Lisa Darr in “Ellen.” Date of issue: 22 July 1998. Photo Photo walt disney television via getty images comedy ellen, starring the degeneres like ellen morgan, was in its fourth season when the puppy Episode was issued in 1997. In her morgan felt attracted to a character played by laura dern and she went out as gay to her friends. the time of "yes, I am gay" was great for American television because until then the gay characters had been relegated to secondary roles, mainly from a single note. the character of degeneres announcing his sexual orientation coincided with the formal presentation of the actress herself with a cover and an interview of Time magazine. The figure of degeneres has been under scrutiny in recent months for the accusations of a toxic working environment in its program of interviews the ellen degeneres show, but in the 1990s his comedy paved the way for a greater lgbtq representation on television. comedy will & grace began to broadcast in 1998 with eric mccormack interpreting gay lawyer will and best friend of grace (debra messing) then had to be like folk at showtime in 2000. It was an adaptation of a British program of the same name and represented a group of gay friends "and their sexual life" in a nuanced way. the fresh prince of Bel-AirKaryn parsons, james avery, daphne reid, joseph marcell, tatyana ali, will smith and alfonso ribeiro en «Fresh prince of Bel-Air». photo courtesy: nbcuniversal via getty images banks and their nephew will smith, born in philosophy were not the first black family in a successful international television comedy. the cosby show reigned first with eight seasons, from 1984 to 1992, before the Cosby bill sex crimes came out. The fresh prince of Bel-Air began to broadcast in 1990 and was vaguely based on the life of smith. The six-season comedy started smith's career. but besides turning the protagonist into a movie star, theHe also highlighted the life of a rich black, stable and educated family in college, expanding the reach of the representation of the black characters on television. Television. a comedy, the show also addressed serious issues such as police profile, will and carlton (alfonso ribeiro) stopped by the police as they led to a mercedes benz, drug use, violence of arms, rape of the citation, vih, racism and other problems.ugy bettyvanessa williams, mark indelicate, tony flat the show put an American Mexican family front and center in a primetime show. She also starred in America, who played an inestlish but working woman who ends up working in a fashion magazine. Tony flat played dad of betty and often mixed the Spanish and English dialogue in the program, the way many Hispanic families do. And ana ortiz played hilda, the older sister of betty. the show was praised for its representation of Latinas on television. but he also addressed topics such as body image and teen son of hilda who comes out as gay. In addition to winning three emmys, ugly bettyâ won two gay and lesbian alliances against defamation (glaad) media Awards.ðtiz is once again involved in a television program that makes history: the love of hulu, victor. The show focuses on victor, a mid-Colombian-American homosexual teenager, half Puerto Rican, and so struggles to tell his religious family that he is gay. ortiz plays Victor's mom. As the show of Jenji Kohan (malezas) went on, he stopped focusing on Piper (Taylor Schilling) and opened theto an incredibly diverse cast of women. The program, which was transmitted during seven seasons in Netflix from 2013 to 2019, became a refreshing mix of stories of all women who did it. In later seasons, the series also commented on the penitentiary system for profit and immigration. But its inclusion of women of all ages, races and origins is what made it highlight in the first place. In addition, the series has helped to cement the Actresses Careers Aduba (Mrs. America, In Treatment), Natasha Lyonne (Muño Russian), Samira Wiley (the tale of the maid) and Laverne Cox (young woman promising) .Poseindya Moore, MJ Rodriguez and Hallie Sahar. Photo courtesy: FX FX Â «Poseâ» not only meant a front-row seat for the dance hall culture. The program, created by Ryan Murphy, Brad Falchuk and Steven Canals, is set at the end of the 80's and early 90s and shows the life of a group of black and Latin and Latin women and their homosexual friends. They are in the midst of the AIDS epidemic and try to become a hole in a society that makes the blind view or simply rejects them, while reforming family definition. The program reached the holders when it debuted for the first time in 2018 by having the greatest transgender cast of any series of scripts. Not only that, the program recruited the writer and activist Janet Mock and, little after, she became the first woman transgéno in color to write and direct a television episode. Mock has written and directed several episodes of possesses since then. The most known face of pose is perhaps Billy Porter's. The winning actor of the Emmy has become an accessory of the red carpet thanks to the success of the show. He has taken the mantle of his character Pray Tell and helped redefine what masculinity means. Rutherford Fallsjana Schmieding and Ed Helms. Photo courtesy: Peacock This Peacock Comedy that was issued season in April 2021 is co-created and produced by Ed Helms, Michael Schur (Parks and Recreation) and Sierra Teller Ornelas (Superstore). Teller Ornelas isand one of the five native writers on this show. In fact, Rutherford Falls has one of the largest halls of indigenous writers in history, according to Peacock.The representation of Native Americans is also an important part of Rutherford Falls in front of the cameras with actors Jana Schmieding and Michael Greyeyes playing members of the fictional Minishonka Nation. Rutherford Falls has been praised for its representation of Native American characters and cultures and its inclusive representation. The show also stars Helms as Nathan Rutherford and Jesse Leigh as Bobbie Yang, Nathan’s non-binary executive assistant.Rutherford Falls has only aired one season so far, but it will be interesting to see if it opens up new opportunities for Native American narratives told by Native American creators and actors.
