Lasting, passionate love is not something you find by chance, it's something you create. 12 CDs, 1 DVD, 4 case studies Show 1 to 30 Start review The time of your life 02/03/2015 Munib Iqbal rated this as amazing. A wonderful book to help you organize your life. He will teach you how to be successful and happy all the time. He will guide you through a result-oriented life, not just living. He will teach you how to be happy all the time in your life. December 17, 2019 Simone Bochedi appreciated that I really liked it. I've been so obsessed with Tony Robbins lately that I can't tell what's good, great, amazing, and what's average. It was great, but also a lot of the same stuff I've heard and read over the past few weeks. Maybe it's amazing. Try it and decide for yourself. June 23, 2016 Prosper Filipe rated it as amazing. - Focus on creating magical moments for yourself - Keep your final vision and purpose in mind as you complete tasks throughout the day - Define and embrace the image that matches your final visions - Plan your life before you plan your day - Define category updates and keep working to a more balanced life -> the more balanced you are, the more keys are required: - Focus on results, not on what you have to do, you are not a human action, you are a human being. - Focus on creating magical moments for yourself - Keep your ultimate vision and purpose in mind as you complete tasks throughout the day - Define and build a personality that matches your final visions - Plan your life before you plan your day - Define category updates and work constantly live a more balanced life -> the more balanced you are, the more you can choose your own pace - it's not about time management, it's about making the most of your life's timeLasting, passionate love isn't found by accident, it's something you create. 12 CDs, 1 DVD, 4 Case Studies Display from 1 to 30 Start Rating The Time Of Your Life February 3, 2015 Munib Iqbal rated this as amazing. I've been so into Tony Robbins lately that I can't tell what's good, great, amazing, and average anymore. It was great, but also a lot of what I've heard and read in the last few weeks. Maybe it's amazing. Try it and decide for yourself. On June 23, 2016, Prosper Filipe rated it amazing. Key Messages: - Focus on results not what needs to be done, you are not the person you do, you are the person. - Focus on creating magical moments for yourself - Remind yourself of your ultimate vision and end goal by completing tasks throughout the day - Define and adopt a look that matches your ultimate vision - Plan yours Live before you plan your day - Define category updates and keep them working on them for a more balanced life -> the more balanced you are, the more keys are required: - Focus on results, not actions, you are not them person who does, you are the person. - Focus on creating magical moments for yourself - Remember your final vision and ultimate goal by completing tasks throughout the day - Define and create a personality that matches your final visions - Plan your Live before you plan your day - Define category updates and constantly work to make your life more balanced -> the more balanced you are, the more you can choose your own pace. It's not about time management, it's about making the most of your lifetime.program I recommend dedicating yourself to the entire 10-day program and completing all tasks. ...more September 17, 2017 Mark Manderson rated it as amazing, the information contained in this program is life changing. The emotional flow itself is amazing. The various steps they teach you how to achieve your goals and the step by step steps are fantastic. February 28, 2021 Jason Vicki Ong rated this as amazing. Unfortunately, the program is very long and repetitive. I think it was about 14-15 hours in total. Day 2, 3, 5 was pretty much regular self-help, while most of the rest were typical TR lessons that I had also read before. Day 6 to 8 was mostly dedicated to goal setting. Day 9 is about decisions, Day 10 is about celebration. Includes other examples from his personal and coaching life. Unfortunately, the program is very long and repetitive. Unfortunately, I didn't have the printed material that came with this audiobook, which was fine for the first few discs, but proved to be a hindrance on discs 5 and 6. This is an honest book and, as usual, Robbins makes some great comments and suggestions.I found the material to be more fuzzy than usual, and the book tends to have long stretches of inconsistency and creative visualization. Of course, Robbins' wanderings are more fun and inspiring than 90% of all other selves. Unfortunately I didn't have the printed materials that came with this audiobook and that was fine for the first few discs, but it turned out to be disc 5 and 6 with handicaps. It's an honest book, and as always, Robbins makes some great points and suggestions. However, I found the material more fuzzy than usual, and the book prone to long stretches of clumsiness and creative visualization. Of course, Robbins' babble is more fun and inspiring than 90% of other self-help books, but it still frustrated me because I felt the book could and should have accomplished more in less than half the time. In the end, I settled on Disc 6 because I felt I would find a more direct use for my audiobook listening minutes. Sorry Tony, I still think you're the best. It just wasn't your best job. ...more (audio (10x1.5h) + pdf workbook) Long 45-minute blocks full of fun were hard to stand, but the content is right. Core: 1) Focus on the desired result and you will see many ways to achieve it. 2) Make sure you pay attention to all categories of life for balance. 3) Make time for the really important things. Some passages were really informative, like the anecdote about the general deciding that no engineers or militia (audio (10x1.5h) + pdf workbook) Long, 45-minute blocks of wandering hilarity were hard to swallow, but the content is correct. Core: 1) Focus on the desired result and you will see many ways to achieve it. 2) Make sure you pay attention to all categories of life for balance. 3) Make time for the really important things. Some passages were really instructive, like the anecdote of Frwho made a decision that no engineer or military personnel could make in 10 years. How could he know which option was the right one? It didn't matter! If no one understood it for so long, you just had to make a decision and move on. ...more May 1, 2014 Robert Laffoday rated it amazing The only reason it didn't change my life as much as Personal Power II or Get the Edge... the experience. The first Tony course I took, Ultimate Power, wasn't as long as Personal Power II, but it had almost the same impact on life. Time of You Life is another one that is really good! The only reason it didn't change my life as much as Personal Power II or Get the Edge... is because I went through PPII first and it was a life changing experience.
