Shadow fight 3 obb

The world of shadows is at risk of sinking into a cataclysmic war at any moment. The nebulous force that once arose from the Portals of Shadows has become an insignificant triviality that is part of everyone's life. Thus, three clans engage in a merciless struggle: the Legion, a formidable military tribe who swore to annihilate this dark energy forever. The Dynasty, warriors fiercely determined to govern and limit this cabalistic power. + Modern 3D graphics, ultra+realistic physics engine and fantastic animations. + The ability to intermingle 3 different fighting techniques to create your own style. + An incredible collection of weapons and equipment. + Countless shadow abilities, bonuses and other improvements. + A gigantic map of the world that you can travel to discover spectacular places and captivating intrigues. + A breathless main storyline and numerous side quests. The world of shadows is at risk of sinking into a cataclysmic war at any moment. The nebulous force that once arose from the Portals of Shadows has become an insignificant triviality that is part of everyone's life ... but some abhor the immeasurable power of this darkness shrouded in mystery and will stop at nothing for the to destroy ... or to seize it. Thus, three clans engage in a merciless struggle: the Legion, a formidable military tribe who swore to annihilate this dark energy forever. + A gigantic map of the world that you can travel to discover spectacular places and captivating intrigues. + A breathless main storyline and numerous side quests. + Thematic events regularly organized within the game, with exceptional rewards at the key. + A dual mode. Challenge other fighters (controlled by I.A.) and storm the TOP 100 of the best players in your country or region. Shadow Fight 3 – series original fighting game called Shadow Fight one of the most popular on Android devices and now, after more than two years Studio developer Nekki has officially announced the continuation of the series, with players waiting is not enough good news. So according to the developers was saved only genre of game, that is fighting, they tried to preserve the characteristic atmosphere of the series, the rest of the game will receive all the new and progressive. The main difference trikvela from the previous parts will be fully three-dimensional graphics, the presence of factions, the phased control of the hero, hundreds of missions and quests, online battles. About the other details we will know very soon, because the game is scheduled for autumn this year. by Rexdl · March 26, 2021Current Version: 1.24.3File size: 115 MB | 110 MBMemorize: www.ReXdl.com The world of shadows stands at the edge of an epic war. The incomprehensible force that came out of the Gates of Shadows many years ago is now an ordinary source of power. The Shadow energy is a tool and a weapon nowadays. But not everyone finds this state of affairs a good thing.A mighty military tribe, the Legion, has its primary purpose the elimination of hazardous energy. The Dynasty people learned to use it for profit and crafting. And the mysterious Heralds study the darkest secrets of the shadow power. Three charismatic fighters invite you to join their cause. Three different ways of living and fighting. They will determine the world's fate for many years to come. Which side you're on?Take a dive into the world of infinite combat and exciting action! Shadow Fight 3 is free-to-play and 100% user-friendly. Start your adventure right now, warrior!FEATURES Enjoy modern 3D-graphics, realistic physics and animation.
