Normally, it is left of the 1 key and above Tab. The string inside () is the ID. There are some of them, then make a race around the city exterior, including at the end of the alley without exit, to locate everyone. He will almost always be close to one of these, whether it goes inside or wandering around. We suggest having only one dog house, however, so that you know exactly where you need to go if you and your canine companion separate. I never walked around for some reason. The dog meat is the first companion you find in your adventure in Fallout 4. There are 3 or 4 houses of dogs in the sanctuary. Â € It turns out that he will reappear here if he dies or get lost in a search. Â € ™ s was Nick Valentine, Piper or Strong, the end result is the same, you sent Dogmeat back to the sanctuary, and now you can find it. This, unfortunately, can lead to a companion to get lost. Â € œIf you found it, or lost it for some unknown reason, then check the red rocket southeast of the sanctuary. Here â € â € ¢ How to find Dogmeat in Fallout 4 if you lose it. To learn more about the game, check out our comprehensive wiki. It's a sad day when you're not Doge's flesh! Once, when I lost Doge flesh, he returned to gas stations to the south of the Sanctuary. Well, here â € ™ a quick guide to help you.
